Hold is thy murmurs, heaven arraigning—
The patient see God's loving face;
Who bear their burdens uncomplaining.
This they that win the Father's grace;
He wounds himself who braves the rod,
Ar — is himself to fight with God. Hold out / There comes an end to sorrow; Hope from the dust shall conquering rise

The storm foretells a sunnier merrow: The cross points on to Paradies. The Father reigneth! cease all doubt; Hold on, my heart, hold in, hold out.

PANIGIOUS INTELLIGENCE. Ministers, Churches, and the Progress of Religion.

The First Campbellite Church in Philadelphia have chosen five deaconesses.

The Russian clergy, after extensive discussion, have decided Sunday Schools to be orthodox.

The German Baptists of New Haven are building a \$15,000 church with twenty-five cent contributions. Rev. Newman Hall says that thirty thousand members are excommunicated yearly from the English Church for intemperance.

Connected with the Methodist Episcopal Church in the United States are four German Conferences with a membership of 30,000.

One of the most remarkable feats of church debt-paying is that of Dr. Scudder's Presbyterian Church in San Francisco. He raised \$46,-560 in a canvass of four days.

The Lutheran Church in this country is rapidly increasing by imas that of the two schools of Presbyterians united.

The Rev. W. L. Gage, of the Pearl Street Congregational Church in Hartford, instead of saying during the service, "Let us sing the hymn," says, "We will now listen to the singing of the --- hymn,' and the choir sing.

The Freewill Baptists have inincreased the past year by 31 per cent.; or about seven per cent, if we include the accession from the General Baptists. The largest gains have been in Illinois, Rhode Island

and Massachusetts. A revival of religion has been in progress for the past two weeks at Emory and Henry College, Virginis. There have been about sixty conversions. Out of one hundred and eighty students one hundred are

professors of religion. The late Rev. Phineas Stowe sent one of the most novel telegrams ever transmitted between New York and Boston. It was in these words " My dear daughter-Is it possible that you cannot give your heart to the Lord Jesus Christ?"

A volume has been published in Shanghai, giving brief biographies of all the three hundred and thirty eight Protestant missionaries who have labored in China since 1799. Of these, sixty have died in the service, six by violence, six by ac

cident, and eight while on voyages. The first person to introduce Sunday Schools into France was a Methodist, about thirty years ago. They did not prosper, owing to the opposition of the clergy, until 1856, when Rev. Fred Monard heartily

adopted the system. When men, skeptically inclined talk to Henry Ward Beecher concern ing their "advanced views of reli gion, he merely replies, "O, I know all about that; I stopped at that hotel once." This generally closes the controversy,

Kansas seems to be quite a strong Methodist State The number of Methodist Episcopal members i 9,258; of Congregationalists, 1,434; of Presbyterians, 1,250; of Baptists, 1,419. The other religious bodies

combined do not number over 2,500 A writer in the Boston Congrego tionalist speaks of a parish in Berkshire county, Mass., "that has not been ashamed to employ a faithful, laborious, godly paster for the amazing sum of \$200 per annum, since April, 1864, till last spring when they decided to turn him out to 'pasture,' as being too old to answer their purpose any longer,

Pope Pius is in his 77th year, but is active and vigorous. He is in the 23d year of his pontificate, and has a fair prospect of completing quarter of a century of official rule which no pope has done before him His successor is said to be secretly Timothy Titcomb, writing from

Europe, says: "I am learning a new respect for the American pu pit, the best, I verily believe, that the world knows. The Scotch are doubtless very sound, but I must say they are very heavy." A Japanese student at Rutgar's College, recently converted to the

Christian religion, was baptized in the St. James Methodist Episcopa Church, New Brunswick, N. Nov. 22d, by the pastor, Rev. Dr. Tiffany. This is the first Japanese convert probably in this country. A year ago the Congregational

Church, in Fliat, Michigan, had twenty members. It now numbers SAML, M. MURPHY & CO one hundred, and has grown thus rapidly by the church work being divided into five departments, and every member being made responsible for all the work they can do Moung Shaw Loo, the native Bur

man preacher, who returned last year to his native land, after several years spent in this country, in the pursuit of his studies, has been heard from. He has been urged by the King of Burmah to take up h residence at Mondelag, and will probably accept the invitation.

homes, is very encouraging. The native women are eager for instruction. Some have sought and found the Saviour. Over three hundred and titty zenanas are open in Calcutta in which thirteen hundred TURNLEY & WOOLRIDGE, Bengali women are receiving instruction.

At the faceting of the San Fran cisco Baptist Association, the Disciples made a formal application to be admitted into the fellowship of that body. The proposal was cordially entertained, and a large committee, of which Rev. Dr. Thomas is chairman, was appointed to consider the application, and report at the meeting of the Association in

January next was lately invited by Brigham Young to occupy the new taberna sons attended to hear the sermon

were present and sat on the platform. Hearty responses attended the delivery of the sermon, and at its close he was surrounded by all the dignitaries, who expressed the highest gratification, and wished him to come again. There are 24,whom belong to Brigham Young's Church.

The Roman Catholic Church at New York is very active now in | do. The more readers we have the better missionary work. A mission just paper we can make and the more good we held there in one of the churches can accomplish. We want to double the for five weeks, has resulted, it is circulation of the Union and American. Attention, Ootton Shippers stated, in the conversion and reception into the church of fifty persons of other religious faiths. During the continuance of the mission, the Encharist was administered to nine thousand women and six thousand

A great and commendable work is doing in the distribution of Bibles in South Carolina. The people of the State are aiding the labors of the American Bible Society by contributions. Gratifying reports are received from various auxiliaries in more than a dozen districts of the upper country. The anxiety of the

poor to obtain the Word of God is said to be at times very great. The Presbyterian Board of Missions, Old School, has under its DOLLARS; or care 79 ministers. Rev. John.L. Nevius and his wife, on their return and Miss Mary M. Patrick, a daugh ter of Gen.Patrick, United States Army, sailed for China on the 31st of October. Rev. James M. Roberts

of the Presbytery of Richland, and his wife, set out for New Mexico on the 6th November with the hope of forming a mission among the Navajoe (pronouced Navaho) Indians. Lemuel Worcester and his migration from Germany. They wife, of Cincinnati, Ohio, and Miss have a membership almost as large | Mary Wilson, arrived at the Creek Mission on the 9th of October. Rev-G. VALLANOW, WALERS COUNTY, GA., DR. JOHN BULL-Dear Sir: I have recently DR. JOHN BULL—Dear Sir: I have recently given your "Worm Destroyer" several trials, and find it wonderfully efficacions. It has not failed in a single instance to have the wished for effect. I am doing a pretty large country practice, and have daily use for some article of the kind. I am free to confess that I know of no remedy recommended by the ablest authors that is so certain and speedy in its effects, On the contrary they are uncertain in the extreme. My object in writing you is to find out upon what terms I can get the medicine directly from you. It I can get it upon easy terms. I shall use a great deal of it. I am aware that the use of such articles is contrary to the teachings and practice of stitution and laws for its guide, adhering to the and order, thereby enabling the people to it. I am aware that the use of such articles is contrary to the teachings and practice of a great majority of the argular line of M. D.'s, but I see no just cause or good sense in discarging a remedy which we know to be efficient, simply because we may be ignorant of tecombination. For my part, I shall make it ruleto use all and any means to alleviate suffer a plaumanity which I may be able to command—not hesitating because some one more ingenious than myself may have learned its effects first, and secured the sole right to secure that knowledge. However, I am by no means an advocate or supporter of the thousands worthless nestrums that floodthe country, that purport to cure all manner of disease to which ham an fesh is heir.
